

# Summary of changes

## Amendments to the Confined spaces compliance code 2019

### A guide to changes made

The Minister for Workplace Safety, Jill Hennessy, approved minor amendments to 11 compliance codes (codes) made under the *Occupational Health and Safety Act 2004* (OHS Act), which includes the Confined spaces compliance code.

The minor amendments were made to:

- reflect amendments to section 35 and 36 of the OHS Act by the *Treasury and Finance Legislation Amendment Act 2018*
- improve style and branding consistency across the existing codes.

The table below provides a detailed summary of changes made to the Confined spaces compliance code.

Location	Change
Paragraph 29	Insert additional content (highlighted in yellow) and replace OHS Act reference to s36 with reference to s35:  “Employers who are required to consult on a matter must share information about the matter with employees, including relevant contractors and HSRs, give them a reasonable opportunity to express their views, and take those views into account before making a decision. If employees are represented by an HSR, the consultation must involve that HSR (with or without the involvement of the employees directly). If the employer and the employees have agreed to procedures for undertaking consultation, the consultation must be undertaken in accordance with those procedures. OHS Act s35”
Paragraph 26 and breakout boxes following paragraphs 52, 79, 108	Replace “health <b>and</b> safety” with “health <b>or</b> safety”
Breakout box following paragraph 26	Insert missing full stop
Subheading following paragraph 157	Replace duplicated subheading:  “Air-supplied respiratory equipment to be provided”
Front cover	Update front cover to ‘Edition 2’

Location	Change
Back cover	Update back cover with new head office phone and address Update translation service contact details
