CCF Victoria Membership Application Form

Types of Membership

Contractor (Full Membership)

A person or company undertaking work as civil construction contractors in the Civil Construction Industry including providers or hire equipment with operators.

The Annual Member Subscription Rates for Contractors are based on a company's annual turnover according to the current financial year from July to June. By signing this form, the applicant is formally declaring the accuracy of their company turnover, and hence the appropriate Membership Category.

Corporate Associate Membership

A person or company engaged in the manufacture, sale, or dry hire (without operator) of plant, equipment and materials used by Contractor Members, or are engaged in any undertaking directly related to, or in supply of, services to those Contractor Members.

Private Associate Membership

Applies to a sole trader providing goods/services to the Civil Construction Industry

Stakeholder Associate Membership

Applies to client groups such as Local Government, Water Authorities, etc.

Note:

Your application will be reviewed for approval by both the CCF Victoria and CCF National Boards. We thank you for your patience during this review period and will follow up with you accordingly.

By virtue of your application, you will have dual membership of CCF Victoria Ltd and the Civil Contractors Federation Registered Industrial Organisation. Payment is required at the time of application.
